

Avantopool Kide

Kide is an inflatable, compact pool designed for professional and home use. Kide pool can be used almost anywhere and it travels easily in a carry bag. The pool fits up to two persons but is most comfortable for single person use.

Kide is made of durable fiberglass reinforced, skin-friendly PVC and is easy to keep clean. Together with the Avantopool heating & cooling unit you can enjoy professional level cold baths or relax in warm water.

To get the most out of your Kide pool, we recommend using it together with Avantopool Cooling & Heating unit and external filtration system.

External cooling & heating unit
